Thanks for working with me to schedule the QEM calls and thanks for providing the SNC narratives in advance of the meeting. The link to the MS Teams invite is at the bottom.

Prior to the meeting:

Same process as recent QEMs. I will send more detailed information with the lists when they are ready.

- Once the QNRC/SNC list is final, within two weeks I will send the full list and include the short list of facilities to discuss during the QEM.
- In advance of the meeting, PADEP central office will work with regional representatives to provide in writing a summary of compliance status and enforcement activities for each of the facilities on the short list.

QEM Draft Agenda:

Below is the standard agenda and who I expect to lead the conversation. I plan to update closer to the meeting date with specific topics. Please let me know ahead of time if you have particular agenda items you would like to discuss, so I can make sure the appropriate staff from EPA are present for the discussion.

- Introduction – All
- Announcements/Reminders – EPA
 - Upcoming states meeting (Fall 2020 virtual) – Remember to send Stacie Pratt your contact for meeting prep.
 - DMR Integrity Pilot – Let Andrew Schulman know if you plan to participate.
